Verse 2

You're always down for me
Have always been around for me even when I was bad
You showed me right from my wrong
Yes you did

And you took up for me
When everyone was downin' me
You always did understand
You gave me strength to go on

Pre-Chorus

There were so many times
Looking back when I was so afraid
And then you come to me
And say to me I can face anything
And no one else can do
What you have done for me
You'll always be
You will always be the girl in my life, ooh oh

Chorus

Mama, mama, you know I love you
Mama, mama you're the queen of my heart
Your love is like tears from the stars
Mama I just want you to know your love is like food to my soul
Never gonna go a day with out you
Fills me up just thinking about you
I'll never go a day with out my mama
